Newtonian 1949

Dedication

We take great pleasure in dedicating this edition of THE NEWTONIAN

to

Mr. James Connaghan

A devoted teacher and friend

ISAAC NEWTON HIGH SCHOOL 1930 - 1948

MR. JAMES CONNAGHAN

WHEN we returned to school, last September, we learned with regret that one of our most respected and devoted teachers had been forced to retire on account of ill health. For almost two decades, by precept and example, Mr. Connaghan has guided Newton students along the pleasant paths of learning and good citizenship and has made a lasting contribution to the school and community.

James Connaghan was born in Eganville, Ontario, of Scottish and Irish parentage. He received his early education in Eganville, later attending university in Ottawa and Toronto. He first came West in 1912, but with the outbreak of the first World War, returned East to enlist. He went overseas, almost immediately, with the 43rd Cameron Highlanders and remained there for four years. When the war was over, Mr. Connaghan came back to Manitoba and joined the Winnipeg Staff in 1920. He taught in Laura Secord, Strathcona, and Aberdeen schools, and was appointed to Isaac Newton in 1930.

A true student and scholar himself, Mr. Connaghan possessed that rare ability of inspiring his classes with a love of whatever subject happened to be in hand, but even more he excelled as a friend. During the years when times were so hard in our district, many a boy or girl, in difficulty or bereavement, found practical help quietly and generously given. His annual class parties were highlights in days when parties were not so common and graduates of ten and fifteen years back still talk about those gatherings when they meet at re-unions. That he had kept his contact with his "old boys" was shown during the war years when he had correspondents in all parts of the world and there was always a soldier, a sailor, or an airman dropping in to Room 14, just to say "hello" or "goodbye" to Mr. Connaghan.

His good judgment and keen mind were valued on all committees and in all undertakings, but it is the Year Book, especially, that will always mean Mr. Connaghan to students and teachers alike. From the first little pamphlet of eight pages, with no illustrations, in 1931, to the beautiful de luxe editions of the Newtonian of the last few years, the enterprise has been under his guiding hand. Year after year, quietly and efficiently, he organized it and brought it to completion.

We are going to miss Mr. Connaghan's ready humor, friendly smile, and cheery greetings around Newton's halls, but we know that he will not forget us. We hope that increased leisure will bring him improved health, and whether he stays in Winnipeg or seeks a less rigorous climate, the best wishes of all Newtonians, past and present, will be with him.

Principal's Message

OUR graduates this year are leaving our school at a time when, in the opinion of some of the world's most noted statesmen, a new page of history has been turned. It is their belief that the forces of peace have been triumphant at last in establishing a solid base for the security of many nations for the next decade or two. In this changing, hopeful, challenging, adventurous world our graduating students will seek their niches.

The past year has provided many rich experiences. The studies in the class, the motivation to high purpose by the teacher, the thrill of high achievement in sport, in the literary activities of our own Norwester and Newtonian, in the opera and in the musical festival, these and the friendships established through the classes, the activities and the socials, have provided the rich fabric upon which the memory may weave its picturesque murals.

I wish to express to you, who are leaving our halls, the hope that you will seek vigorously to make a worthy contribution, wherever you may be, so that the cultural and the spiritual life of your generation will add to the abiding resources by which human understanding and the dignity of human life may be integrated in our daily lives.

H. E. SNYDER.

THE STUDENTS' COUNCIL

In the first Presidential election campaign of the year, Al Heiland was elected President by an overwhelming majority. Genevieve Stark was elected Vice-President and Tannis Schumacher Secretary. Al proved himself to be a willing and tireless worker, devoting much of his time and effort to achieve better understanding between principal, teachers and students.

In the February elections, after an extensive if not extraordinary campaign, complete with parade, drums and singers, Len Gzebb was elected President, also by an overwhelming majority. Len's great determination and executive ability proved that he was suited to this responsible position. Genevieve Stark remained Vice-President while Beatrice Starin took over the secretarial position.

The tireless work done by the Coun-

cil members elected as chairmen of the various committees aided greatly in many improvements around the school.

The socials, under the supervision of Bill Senyk and then Helen McLean, were very successful and drew capacity crowds. Movies, stage shows, and singsongs helped to entertain the students who attended the socials but did not dance.

The Athletic Committees, under the chairmanship of Frank Ceilen and then Stan Kalinowski, did a very progressive job. Through their efforts better sports equipment such as nets, basketballs and various other things were obtained for both boys and girls. An inter-room softball league was organized—this was enjoyed by all students who participated.

Ernie Zapp, chairman of the Auditorium Committee, did an exceptional (Continued on Page 50)

Editorial

IT is difficult to express in these few lines the acute feeling of regret with which we say farewell to another year at Newton. Varied paths lie ahead. For some of us it is the last good-bye, for others only the beginning of an interlude. But with all of us who have worked and played at Newton will remain pleasant memories of the happy days spent in her halls.

This issue of our annual will mean most to those who graduate, and so we have tried to capture in word and picture the highlights of the year. Although work started later than usual we feel the efforts of the staff and the teachers have not been in vain.

Several changes in the advisory staff, design and layout will be noted; also the absence of the Literary, Art and Photography sections.

We go into a troubled world filled with fear and suspicion, and yet in the words of Shakespeare:

This above all: to thine own self be true And it must follow, as the night the day Thou canst not then be false to any man. Farewell: my blessing season this in thee.

Grads '49

ANDY BABYNCHUCK

Brilliant conversationalist "avec les femmes," a camera flend, and one scholar with a legitimate excuse for inhabiting room X23 (dark room). A fine violinist.

HARLEY BERGAL

Nothing short of a "brain" as far as politics are concerned. Assumes a perpetual happygo-lucky air but becomes serious during class debate.

FRANK BOROWSKI

Tall, blond, spark-plug of school hockey champs, shuns the girls and doesn't let his studies worry him. Looks forward to a career in music.

EDDIE CHORNOUS

Hi-Y president, who keeps the room in a state of hilarity with his offside humor. Official window opener who hankers to come first without effort, What a guy!

MIKE SAWKA

Newton's own Casanova and a story-teller deluxe. Starry quarterback who spends his time gazing at the gals. Ambition—engineer. Fate: raising little engines.

MIKE SKIBINSKI

Knows all that goes on "Around the School." Active Newtonian and Nor'Wester member . . . a regular fellow with a shock of unruly hair and a wide grin.

GENEVIEVE STARK

Newton's full-time vice-prexy and "First Lady" radiates pep, poise and personality. LS.C.F. pres., Interhighlites reporter; has Nor'Wester and Newtonian assistant editorships.

BILL STEFANIK

A general favorite with everyone. A sturdy supporter of the Senior basketball team and a member of the Operetta chorus. Really a "soild sender" on his accordian.

LAVIE ZABENSKIE

Quiet and studious. Hopes some day to be a pharmacist. Fate: furrier and tailor. Ardent U.S. capitalist system supporter. He excels in Chemistry and Latin.

RAY BEALLY

ROOM 5

A solid customer and a German whiz. In a daze caused by a certain jolie fille. A noted fisherman who anticipates graduation, and retirement at 25.

VICKY BIELAK

Vivacious green-eyed brunette who sparkles with "joie de vie." A future gift to the nursing profession, and our pride and joy.

FRANK CIELEN

Tall, fair-haired possessor of a friendly personality, a shy grin, pleasant tenor, and an excellent scholastic record. Hockey and football enthusiast.

BASIL FURGALA

"Natch" - urally excels in baseball and played quarterback on the rugby squad. Eaton's Junior Executive. Diligent student tho' he never has his English done.

CECIL SEMCHYSHYN

Room 5's congenial peacemaker in Miss Nelson's absence. Lent his vocal chords to the glorification of our "Pirates" operetta. A future lies in opera.

STAN SKURZANSKI

J.M.'s faithful shadow. Spends plenty of time in school after hours — there is no "4 o'clock" for this lad. Sang in the tenor section of "Pirates."

ALLAN STEINHAUER

Dark and dashing man-abouttown, plays for Stellars, is a valued member of Eaton's Junior Executive, and is a bowler of no mean repute. Snap on rugby squad.

ANNE URUSKI

Proficient student who hikes in from E.K. each and every day. "By appreciation we make excellence in others our own property."

HARVEY ZINDLER

"The mildest manner with the bravest mind." Plays "post" on Room 5's basketball team. Characterized by his everlasting "four o'clock shadow."

BERNARD GOLDSTEIN

Mr. Babb's chief cook and bottle-washer who takes a marked interest in all his studies with amazing success. Proficient in both Maths, and Science.

LEN GZEBB

Versatility and personality plus. Our ever-popular school president, sports authority, and a member of the Junior baseball "dream team." Plans on "U" and a career in pharmage. in pharmacy.

WALTER HRUDKA

A favorite with the opposite sex, who pitched for the Han-sey Chicks. An all-round athlete who took a little vacation in Room 16 around Xmas.

EDDIE KAVALEK

5's "sweater boy" who would welcome more "spares." Pet peeve no pool tablest at New-ton. Always brandishing a comb! Such lovely locks!

RUDI KLASSEN

This German "shark" claims he can whip anyone at pingpong. A future in medicine is in the offing. Another mathematician constantly racking his brains.

CORRINE LANGSTON

"If you are but a dream"—
the girl who's never here!
Well, hardly ever! A petite
personality-plus lass with a
future in music and dreams
of Varsity.

EDDIE MARTIN

Popular room president and the boy most likely to suc-ceed. Is an avid hockey fan and football enthusiast who does social work. What does he do after school?

OLGA MICHALISHYN

"Pretty 'Mickey!." Envied possessor of beautiful blonde hair and blue eyes. Our room vice-president who aims to follow a career in Science.

JOHN NEGLADIUK

"Duke" of West Kildonan. Easy-going Newtonian rep. His crew-cut and lazy smile cause many female heads to turn. Starry blue-liner for the Junior Black Hawks.

FRANK GUSTAW

Fugitive from Elma who can really play the mouth-organ. Likes reading, swimming and sleeping. A good student who is always "borrowing" Zindler's Latin translations.

RUDY HANAWAY

Popular, good-looking Kilda-Rock and a "ten o'clock scholar." This "piratical gentleman" claims he's a genius but his future lies in pharmacy. An ardent Glen Miller fan.

STAN KALINOWSKI

"Kelly" is our 6 ft. 2 in. bas-ketball Captain, athletic the chairman, and one of the in-telligenzia. Bass in the chorus. Plans on 2nd year commerce. Starry rugby "end."

PAULINE KIEDYK

Attractive dark-haired miss and our class secretary. An-other girl headed for a career in nursing. A friendly per-sonality stands her in good stead.

JOHN LEVY

Our cheery kibitzer who does school work in his "spare time." Ponders English ques-tions the rest of the time. Favorite pastime is "just dreaming."

KRIS MACKAY

Combination of beauty and brains is our Newtonian Editor, social rep., and Nor'-Wester reporter. "Portia" plans on "U" and journalism. Pastimes: tennis, skiing, dancing and track.

NICK MELNYCHUK

Bespectacled Nick is one of the few quiet members of the room. He will no doubt be an expert on vertically "up-set" angles. A shy guy with a hidden sense of humor.

JOHN MULLAN

"Tiny Irish" packs a lot of energy on the gridiron. A likeable, industrious fella and a good student. Ambition? What does any man want?

BILL PHILLIPS Curly-headed gentleman and a scholar who sparked the Senior basketball team. The boy with the ready smile who lets the future take care of itself.

ROOM 7

BERNICE JAREM

Reece's theme song, "O Johnny, How You Can Love!" This delightful girl and her sparkling personality are missed. Left school to start her career.

JENNIE KALEKA

Cool, calm and collected. Generally thought of as a good student. Man, can she cook! Way to win a male is to win his tummy.

ELSIE KUCHTA

Of musical and artistic temperament. Elsie loves all sports. Favorite — tumbling and drills. All this, platinum blond hair, and grey eyes,

ARTHUR LUTZ

Awaits his turn in sleepy patience. Has stoic devotion to work and "Bell." Has hopes of succeeding Thomas Edi-

In Memoriam

LILLIAN EDWARDS

IT was with deep regret that we learned of the passing of Lillian Mary Edwards on March 31. She came in the fall of 1940 to take over the secretarial work of our school. Although Miss Edwards had been on the teaching staff preceding this appointment, it was during this period of eight years that she made an outstanding contribution in the organization of office routine.

Miss Edwards was born in North Winnipeg, and attended Aberdeen and St. John's schools. She and the other members of her family were real pioneers and pillars of the community.

Teachers and students alike were impressed with the quiet tact and understanding displayed on all occasions. We shall miss her quiet kindliness, ready helpfulness and friendly understanding. Newton has lost a true friend and indeed a rare personality.

NEWTONIAN 37

HERE AND THERE WITH OUR GRADS

MARGE DOLHUN, 1947-48

Marge won the Girl's Trophy for Sports in 1947-48. She now attends United College and is taking Second Year Arts. She still finds time, however, for outside activities. She is a member of the "Gammo Rho Kappa"—a Catholic Ukrainian University Students' Club. Marge plays basketball for Varsity Seniors in the city league and is working hard in track and field, volleyball and basketball.

Her ambition is to secure her B.A. and enter the business world. With her personality and sportsmanship Marge will go far.

VICTOR POMER, 1947-48

Popular violinist, is establishing himself as one of Winnipeg's up and coming musicians. Vic is studying with his sister, Mrs. A. Pomer Toffan. Vic is well liked in music circles not only because of his talent but also because of his engaging personality. He belongs to the Winnipeg Chamber Group and has appeared as guest soloist at concerts and recitals for many years, and has played on the radio on several occasions. Vic is also assistant teacher in the Pomer Toffan Studio.

Under past accomplishments can be listed many things—successes in Musical Festival, concert master for the School Orchestra and for the A. Pomer Toffan String Orchestra which has taken top place in the Musical Festival, and perhaps the greatest honor of all—he plays first violin in the Winnipeg Symphony Orchestra. With Vic playing the Symphony is sure to succeed. Your own success is assured, Bon Chance!

LESLIE SOWUK, 1947-48

A brilliant violinist, Leslie is at present studying in Chicago under Mr. Willets. He is concentrating mainly on solo work. While in Winnipeg he was a pupil of Mr. J. Waterhouse and in 1945 won the Beryl Ferguson Trophy.

Leslie has had much practical experience as guest concert master with the Ukrainian String Orchestra and as soloist on many radio programs. It's a certainty that on Leslie's return to Winnipeg he will give an unforgettable performance. In the meantime it's hard work and practice. May his career as a concert violinist be as dynamic as his personality and meet with complete success. Newton salutes you, Leslie!

MARY HAMMERLING, 1946

Mary received the Catholic Women's League Scholarship in Grade XII and continued her studies at St. Mary's Academy. In 1947 she was presented with the Rupert Shittick Memorial Scholarship. The next year Mary became Secretary-Treasurer of St. Mary's College Council and Business Manager of St. Mary's Annual Drama Festival. She has been elected Lady Stick of St. Mary's Academy for 49-50 and Vice-President of the Women's Association of the University of Manitoba.

Besides her studies she has played basketball for St. Mary's for the past two years and has had a "Chick" social life. Mary intends to enter the Faculty of Education after graduation. Good Luck!

LLOYD CHICKOWSKI, 1947-48

A graduate whose name is still heard in Newton's halls, Lloyd was a leader in many activities during his school career. He was President of the school, Captain of the rugby squad, a member of the Junior Executive and a track and field star. He was also a gifted orator. Lloyd excelled in sports but at the same time kept up his academic work. His likeable nature, his rediness to work, and his resourcefulness are qualities that make a leader.

Right now Lloyd is working at James Richardson & Sons, the first step to attaining his ambition to become a big business man—to make scratch, natch.

His outside activities are "Mary" and numerous. He is Associate President for C.U.A.C.'s temporary executive and is active within the Church Youth Club. For relaxation he plays tennis.

His friends expect to hear great things of him in the future. Newton's behind you, Chick!

JUNE SHALEY, Governor-General Medallist for 1947-48, has been showered with well-earned honors since entering 2nd year commerce at the University of Manitoba. June has been awarded a scholarship by the Catholic Council of Canada, and a Hudson's Bay scholarship. She recently received the Alpha Delta Pi cup, presented annually to the outstanding pledge of the She is also a member of the vear. Alpha Delta Pi sorority (Beta Theta Chapter of the U. of M.) June displayed exceptional ability in both scholastic work and extra - curricular activities while at Newton, and will undoubtedly prove successful in the business world.

Newton may well be proud of the many fine athletes who have passed through its halls. The W.L.I. juniors, eastern Canadian champs, boast a line-up composed mainly of former Newtonians. They are WALLY PAROBEC, MILLIAN KANIUGA, RAY CHARAMBURA, ERNIE TESLUK, HAROLD MAUTHE and MIKE DASKI. Both Harold and Mike coached the winning C.U.A.C. senior girls' basketball team which included DORIS SHERO, ELVA WASLYK, MARY BUCHKO, MARJ FEDEROWSKI, BERNICE TKACH and HELEN LULEWICK.

MILLIE FRITZ, former editor of the Newtonian and winner of the Governor-General's Medal for 1944, now is secretary at St. John's Technical High School. Among other Newton grads holding similar positions are MARY KRYSCHUK, JESSIE WANGLAS, GLORIA KULIK, OLIVE PARKER, JENNIE SMEZIK and WYNNE LOZANSKI.

ANNE BILOUS, a former graduate, was this year's winner of the Rose Bowl, highest vocal solo award of the Manitoba Musical Festival. In previous years Anne and her sisters, Emelie and Irene, formed the Bilous trio. They won festival honors in both trio and individual classes. Emelie is a former winner of the Tudor Bowl.

ISABELLA KUCHTA, a graduate of Isaac Newton and the Winnipeg School of Art, has been awarded a scholar-

ship by the Polish Institute of Culture and Fine Arts. She is the first overseas scholarship winner since the war and is now studying at one of the schools of art in Poland.

JOHN KUCHMY, one of Newton's earlier students, has gained recognition in London as a violinist-pianist. Fifteen years ago Mr. Kuchmy won a scholarship for both violin and piano and chose to study the violin at the Royal College of Music. He was a member of the London Philharmonic at one time and has made several tours of the European continent. Since the war he has given his full attention to piano, proving very successful in his Wigmore Hall recital. Mr. Kuchmy is expected to visit Winnipeg this summer.

RUSSEL, AUDREY and RAY SAUNDERS are three graduates whose expert gymnastics have taken them to Hollywood. They started out as tumblers and acrobats with the Universal Athletic Club and are at present performing dangerous stunts as doubles for movie stars. The three Saunders all appear in the Ingrid Bergman picture "Joan of Arc."

MARY BODNARCHUK, who is now in third year home economics at the U. of M., has been awarded a \$100 scholarship donated by the Dominion executive of the Ukrainian Catholic Women's League.

ALUMNI

THE ALUMNI ASSOCIATION

To the graduates of Newton, the Alumni Association is the most important and enjoyable organization which they could join. It is important because it needs many active supporters to promote its ideals and aims, and enjoyable because the Alumni Association is the medium by which all former Newton classmates, graduates, and friends can keep in contact with one another even after they have left school.

The aims of the Alumni are:

- 1. To interpret the school to the community and the community to the school.
- 2. To be of help to the school in every way possible.

The first two of the aforementioned have been well accomplished by the Association; the latter aim we shall speak of in the concluding paragraphs. The main achievement of the Alumni group, however, was the establishment of a scholarship fund for Newton graduates. Last year, Marge Dolhun was the recipient of one hundred dollars; this year another student shall benefit. The money for this fund was

raised by several Alumni functions. Led by President Mrs. Andrew Okrusko, the Association has sponsored three whist drives, a "graduates" reunion" dance, and a raffle.

"All work and no play" is not by any means the motto of the Alumni Association. The members meet at least once weekly to play bridge, volleyball or basketball. Several times a year they hold socials and 'tis rumored that one of their recent parties was held aboard a yacht!

Next year, bigger and better things are planned for the club. With all the fine vocal talent at Newton, it is quite likely that a possible Graduates' Choir would be a great success. The graduating athletes would probably appreciate forthcoming basketball and volleyball teams.

To make any of these ventures a complete success, however, we must have the willing support and enthusiasm of YOU, the graduating classes.

Look forward to meeting once more all your former classmates and friends at the first meeting of the Alumni Association next autumn. Till then, best of luck.

AND WHY NOT?

It could happen here!

Newton Day has come and gone. It is the morning after, but as yet, you haven't shaken off the stimulating impressions that were stamped on your mind yesterday. All aglow with your old Newton pride and spirit, you recall some of the highlights of your first Newton Day.

Your friends had promised you an enjoyable evening but had not prepared you for anything like last night. To begin with, there had been the initial shock of finding yourself plunged into the exciting activity of a school function. In a short while, you had recovered your bearings sufficiently to

join your friends in passing through the crowds, searching for the familiar faces of classmates and teachers of your high school days. Even after an absence of many years, you had no difficulty in recognizing old friends and being greeted in return.

In proceeding from classroom to classroom, you had found numerous trophies of worthy achievements in various fields of endeavor. To recall but a few: there were the paintings done by Newtonians who had won outstanding recognition in the world of art; there were some of the poems of a graduate who had contributed annu-

ally to the Newtonian, and who had established a notable place for herself in contemporary Canadian literature; there were all those splendid athletic records of individual stars and championship teams; there were the names and lists of awards of the school's scholarship students; and there were the highly artistic performances of the musically talented who had not been content to bring to an end the expression and development of their abilities on graduation day, but had continued with their training for years after.

It is with great interest and admiration that you had examined the articles displaying the workmanship, skills, techniques, and knowledge our graduates had acquired in pursuit of their hobbies. In addition, you had spent quite some time pouring over the bill-board reserved for news of graduates who had left Winnipeg to seek their fortunes elsewhere.

As the evening progressed, you had become increasingly aware of the tremendous amount of work that had been done in organizing and carrying out a programme as ambitious as this. Consequently, you had stopped at the information desk to make enquiries. There you had learned that the Newton Day project was the result of a growing response of community organizations, private groups, and individuals to the appeal for co-operation in the establishment of a day set aside to serve Newton graduates in various ways. At first it was meant to provide the graduates with an opportunity for reunion. However, to everyone's satisfaction, it had evolved into something much bigger-a showcase for our community at work and play.

It sounds almost fantastic, doesn't it? And yet why should it be so? Surely through our school have passed enough people capable of organizing and supporting a project like Newton Day. Come on grads, when approached to help in this venture, reject the "go look somewhere else" attitude and in

its place adopt a positive outlook. Give generously of your time, ideas, and efforts, and you will find that your work will yield results gratifying to all.

Of course, the Alumni Association of your school pledges its whole-hearted support.

Activities

SOCIAL

Looking back on this year's Social activities we find that all have been successful—not so much from a materialistic point of view as from a social point of view. School affairs should provide both staff and students with an opportunity of getting better acquainted through planning and working together. Our dances this year have been a means to this end. Let us now reminisce on the many gala festivities that were planned by the Social Committee of '48-'49.

"The Witches Whirl," held on Friday, October 29, at 8 o'clock, marked the opening of the social season at Newton. An interesting programme was planned by the Social Committee under the able guidance of Bill Senyk. Ernie Zapp acted as M.C. Entertainment was provided by Jerry Shack, Ted Perich (graduates), and Ernie Zapp and Ed Grabosky (students). A tea was held for the teachers in the library, with Helen McLean as hostess. On the whole this dance was most successful, the attendance of teachers, students and graduates being excellent. The T. Eaton Company supplied the Band Box and decorations.

Upon the completion of this social Bill Senyk resigned as chairman and was replaced by Helen McLean.

To complete the social whirl for 1948 the school tramp, "Snow Shuffle" was held on December 23, at 7 p.m. After two hours of tramping in the cold, cold snow under the direction of Mr. J. Armstrong, ravenous students appreciated the hot dogs and free cokes. Ernie Zapp was again M.C. and made the necessary arrangements to procure "Santa" (Bill Senyk) who donated kisses (candy, of course!) and later directed carol singing, with Miss E. Knapp at the piano. Throughout the entire evening the spirit of Christmas reigned.

An "Inter-High Basketball Dance" was held in Newton's auditorium to honor the Warren team. Music was supplied by Eaton's and decorations by John Shanderuk and Stan Rudnicki. Miss A. Sproull was in charge of refreshments in the upper hall.

"In Spring a young man's fancy turns to thoughts of love." With this age-old adage in mind the Social Committee completed arrangements for the "Flutter Fling" which was held Friday, February 11-the first dance of the New Year. Congenial master of ceremonies was ever-reliable Ernie Zapp. Entertainment, in the form of a comic skit, was ably presented under the direction of Len Gzebb. The programme was rounded out by a solid rendition of "Twelfth Street Rag" and "The Flight of the Bumble Bee" on Ken Brown's accordian. Tea was served in the library and the Coca-Cola Company supplied free cokes.

In the early part of March an Operetta party was held under the guidance of Miss E. Knapp and Mr. G. E. Mark. This was open only to those connected with the operetta. Cecil Semchyshyn was M.C., and Walter Sukaylo and three members of the band supplied the dance music. The "Powder Puff Prom" was held prior to the Easter examinations with Walter Sukaylo again supplying the music. Bill Senyk acted as M.C. and did a grand job.

Despite the various superstitious beliefs connected with Friday 13 your Social Committee dared to hold the "Hi-Warren Hop" on May 13. This particular dance was held in honor of the Warren students who came up on tour of the city. This was a small but particularly significant gesture to our neighbours of the south. Dave Robertson from C.J.O.B. acted as M.C.

The last is best, and so was our last social, the Graduation Dance held in the auditorium on June 3 with the Grand March commencing at 9.30 p.m. Prior to this an awards assembly took place in the morning, followed in the afternoon with a graduation ceremony at St. Giles church. In the late afternoon our graduation banquet was held in the Blue Room of the Marlborough hotel. Charlie Cruikshanks' orchestra supplied the dance music for our graduating class. The girls were beautiful in flowing gowns and the boys just as handsome.

So ends another perfect year!

AUDITORIUM PERIODS

During the past year, Newton has had an increasing number of auditorium periods, especially in the latter half of the term. During this time, students saw dramas put on by their fellow-students. October saw a "Pep Rally" given at the Prosvita Hall with "Chuck" Cook as M.C. Several movies were shown at odd times during the year. In March, the Grey Cup Finals and the Winter Olympics were screened for the benefit of students. Also, during this month, Mr. Floyd's picture was donated to the school and now hangs in the library. Yes, Newton has had auditorium periods a-plenty this past year.

I.S.C.F.—INTER-SCHOOL CHRISTIAN FELLOWSHIP

This group has been operating in Newton for two years. It has expanded considerably although it was excluded from school life by the school board authorities. Contrary to all opinions, this group is neither select nor is it a sect. The members merely meet to study the Bible in order "To Know Christ and to Make Him Known."

During the year, the Newton I.S.C.F. had Ernie Kroeger and Lorraine "Corky" McIlveen as sponsors, and Genevieve Stark as president. The group, which meets mostly at private homes, does enjoy the social side of life as shown by their list of activities: a tally-ho in December, several teas, and a bicycle hike in May.

Charles "Chuck" Tipp, provincial secretary, was speaker at several meetings.

Amiable "Chuck" and "Corky" would like to see more students coming out to these meetings. All may attend regardless of faith, creed, or color.

DRAMA CLUB

Every Tuesday, in the study period, several boys and about 40 of the school's prettiest girls, members of the Drama Club, met in Room 15. Under the

capable direction of Mr. Robson, who was assisted by Genevieve Stark and Olga Michalishyn, the group studied the different phases of the arts of acting and make-up.

In March, they put on two highly-successful plays which were greatly appreciated by the students of Newton. These were: "When Shakespeare's Ladies Meet" and "Curse You, Jack Dalton." Those participating in the former were: Kris MacKay, Frances Noseworthy, Margaret Smith, Corinne Loboz, Shirley Solar, Steffie Wellis, Ed Shozda and Steve Checkwich. The cast of the latter play consisted of: Rudi Klassen, Albert Schachter, Jenny Zatorsky, Olga Mocharski, Marvis Anderson, Ken Brown and Jean Maksymec.

It is hoped that next year's drama club will have as active and as progressive a year as this term has enjoyed.

THE PIRATES OF PENZANCE or THE SLAVE OF DUTY

By GILBERT & SULLIVAN

ACT I

A Rocky Shore on the Coast of Cornwall:

The pirates, under the leadership of the swashbuckling pirate king, are celebrating the termination of Frederic's apprenticeship. Frederic, whom Ruth loves dearly, scolds her because she had deceived him into believing that she is beautiful. He presently meets a "bevy of beautiful maidens," and asks if there is not one who could love him. There is not—except Mabel, whose pity for Frederic is only surpassed by her love for him.

The pirates, in a surprise appearance, attempt to carry off the maids with the purpose of marrying them, when Mabel steps forward and tells them her father is the Major General.

The Major General presently appears and after a long introduction claims he is an orphan, knowing full well that these pirates never attack orphans; and thus outwits them.

ACT II

A Ruined Chapel by Moonlight:

The Major General, fearing the circumstances if the Pirate King should discover his deceit, is at his wits end with worry. He is comforted by his numerous daughters and Frederic. Frederic (who is now a slave of duty and no longer a pirate) plans to overcome the pirate band. To aid him he has engaged the police. It is quite apparent as the policemen enter that they too are terrified of the pirates. Everyone leaves, except Frederic, who is confronted by Ruth and the Pirate King.

Covering him with their guns they make him understand that he is still in the band, having been born in leap year; making him five and a quarter years, and not 21 as supposed. It is now Frederic's duty as a pirate once more to tell them that the Major General has lied about being an orphan.

The King is furious and swears revenge.

Mabel tells Frederic to lead the crew against the pirates, but Frederic the pirate has to remain true to the band. They swear their love for one another and promise to be true.

"THANKS A MILLION"

In every production of any type of dramatization, it is usually the lead who takes all the congrats. We, on the other hand, would like to take this opportunity to congratulate various other members who did much to make the "Pirates of Penzance" the success it was. First we would like to thank Miss E. Knapp, and also congratulate her on the inspiring production which grew under her masterful hand and the volumes of tones which were drawn from the choruses as well as the leads. Truly Miss Knapp deserves a lot of credit.

To supplement the music department we find still another—the dramatics—with Miss C. Griffiths tripping the light fantastic, or going through a serious scene. The movements of the choruses and characters as well, showed the amount of skill and concentration needed to achieve such perfection.

Special thanks goes to Miss Winnifred Johnstone for her painstaking efforts in being present at each and every occasion to bolster the cast in its moments of uncertainty.

And then, as always, we had our faithful master of accompaniment and friend at our side, Mr. Filmer Hubble, who did much in the way of making the whole production one co-ordinated unit.

We must never forget, of course, all those fine people who worked very hard in the various capacities as ticketagents, make-up artists, ushers, call girls, promoters and property men

Last, but not least, we make special mention of the great work done by Mr. R. Lind, who worked hard to make pictures of the members of the cast. These pictures are to be set on a placard to hang in the hall as a reminder of the operetta of '49.

job throughout the year. Various entertainments, such as plays by the newly-formed Dramatic Club, films on the Grey Cup Final and the Olympics, and a ceremony at which a portrait of Mr. Floyd (to be hung in the library) was presented; were provided twice a month in the Auditorium.

The Bulletin Board and Finance Committee also deserve worthy praise.

The heavy responsibility of presiding over the Student Council is not a simple task. However, both Al Heiland and Len Gzebb proved themselves willing and able to cope with the task at hand.

The combined efforts of Mr. Snyder, the teachers, Al, Len, and the Student Council made all these achievements possible.

Many thanks for an important, responsible and difficult job well done.

BOYS' SPORTS

By RAY YAUK

Whenever year books are written, the sports section most frequently commences something like this: "... During the past year the athletes of our school have had a very successful season . ." Unfortunately, however, in the case of Isaac Newton High School this is not wholly true. One has only to visit the Newton mantel for the answer. The silverware that is so often present is not to be seen. Mr.Avery's Grade 10 and 11 soccer kids were the only "Red and Black" representatives to cop city high school honors.

RUGBY

Before Johnny "Butch" Petersen opened the turnstiles to the throng of cheering high school football fans, local sport scribes had our boys picked to finish no less than second in the five-team circuit. However, when the curtain was rung down to conclude the 1948 grid season, statistics revealed that the "red and black" horde failed to chalk up a single victory, and were only able to tally four points against their opponents.

Genial Mr. Armstrong capably managed the squad, while Kip McFadyen and Moe Simovitch took charge of the coaching duties, with Gene "Porky" Charbonneau assisting. Throughout the entire season Bill Senyk, Basil Furgala, Joe Sawchuk, Frank Cielen, Stan Kalinowski, Dave Yacheson and little Bob Daski turned in starry chores in all their outings.

Hats off to Joe Sawchuk, who was the unanimous choice as all-star guard on the city's three newspapers, and to rugged Bill Senyk, who garnered a berth on the Citizen "dream" squad. Also, bouquets to the coaches, managers, members of the team, and last, but by no means least, the cheer-leaders and waterboys—they all worked tirelessly throughout the entire campaign.

The prospects for the '49 grid season appear much brighter, since most of the previous squad was composed of numerous "rookies" who have now gained a great deal of valuable experience.

Following is a brief summary of the four grid clashes staged:

St. John's 5 Newton 0

Over-confidence played a prominent role in the Newton defeat. However, Bill Senyk, Basil Furgala, Joe Sawchuk and Captain Frank Cielen did yeoman service for the "red and black."

Kelvin 15 Newton 4

With Bob Daski playing brilliantly, the Newton horde staged their best performance of the campaign against big Chuck Lumsden and his fellow Kelvinites. Booting a terrific field goal and one single, Daski garnered all his club's points for not only the Kelvin tussle, but also for the entire grid season. Along with Daski, Paul Werbowski, Bill Senyk, Stan Kalinowski, Mike Sawka, Lloyd Rigby and Joe Pawlik worked hard throughout.

Daniel McIntyre.... 29 Newton.... 0

From a Newton standpoint, the less recorded about this humiliating whitewash the better. However, there were three Norsemen gridders who played

well - Ed Chornous, Mike Skibinski and Dave Yacheson.

Gordon Bell.... 13 Newton.... 0

The Panthers from Gordon Bell rang the Newton gridders' death knell in the final Norsemen bid for a play-off berth. The only bright light shining in the "red and black" line was the brilliant defensive display put on by Dave Yacheson. Others who worked hard in the final contest were Joe Sawchuk, Frank Cielen, Bill Senyk, Orest Drahl and Steve Solilo.

Lineup: Senyk, Cielen (captain), Daski, Furgala, Sawchuk, F. Werbowski, Pawlik, Sawka, Kalinowski, Keller, Yacheson, Solilo. SOCCER

There is at least one place on the Newton trophy shelf where no dusting was required, for a grand aggregation of soccer talent has once again made Newton the "home" of the city junior soccer crown.

Mr. Avery's 10's and 11's literally walked over their opponents as they amassed an unbelievable season's work—six contests, six victories, and five shutouts for goalie Ed Cymbalisty. The team was definitely well-balanced.

Centre Sam Dolhun, wingers Wilbert Wagner and Bill Artes, and insides George Grabowski and Ed Solarz provided front wall deluxe. The half line of Ray McMillan, Wally Staub and Bill Tyshko would remedy any mentor's problem. Lastly, the two rugged rearguards, Alf Leonard and Barry Krawchuk, plus "Cymbal's" faultless goalkeeping, round out a truly championship squad.

The game that assured "Chuck" of his second consecutive championship was played against Gordon Bell Panthers on the Daniel McIntyre pitch. After a scoreless first half, the Norsemen finally found the range, with lanky left-winger Wilbert Wagner sinking the spherical piece of leather on two occasions. Captain Sam Dolhun also managed to put his name on the score sheet when he broke away from a Gee Bee ganging attack. The final score:

Newton 3	3 (Gordon Bell 0	
The season's	play	is as follows:

SENIOR BOYS' BASKETBALL

When the 1949 edition of George Gregory's senior hoopsters began their cage wars, they were faced with the difficult task of bringing "home" the senior cage crown for the fourth consecutive time. However, when their final contest was completed in early March, the "red and black" were able to finish no better than third in the five-team loop.

Garnering no less than 10 points in nearly all his outings, diminutive Mitch Baryluk capably led the Gregory-men throughout the entire semester. Mike Skwark, Stan Kalinowski, Bill Stefanik and Albert Glovitsky were others that, more than once, made notable impressions on the score sheet.

At the half-way mark of the eightgame schedule, the Baryluk-led Newtonians broke even with two wins and two losses. In their following three contests they dropped one and finished on the long end of the count in the other two. With a slight hope of remaining in the running for the City championship, the Norsemen were handed a 47-34 drubbing at the hands of the powerful Tigers from St. John's.

Early in January, a smart, well-balanced crew of U.S. cagers from Warren, Minnesota, staged a thrilling exhibition tilt with the Newton aggregation, before approximately 500 cheering fans. After a rather shaky start, the blackshirted Americans found the range in the spacious McGregor street armories, and led 15-13 at the half-time intermission. Fighting back gamely, the Newton five were unable to cope with the fine ball-handling ability of the visitors and at the end of the contest were clutching the short end of the 31-28 count. Several weeks later, the same Warren crew played host to our own band of cord shakers on two occasions. Minus three starry performers, the Newton quintet absorbed two decisive defeats. Despite their two humiliating setbacks, our boys enjoyed a wonderful week-end in the U.S. town, due mainly to the friendly hospitality they received from the Americans.

Although they were unsuccessful in bringing the coveted junior cage crown to Newton, the "red and black" kids enjoyed a wonderful hoop season. Piloted by Len Gzebb and Bill Stefanik, the fast-moving squad, lacking ability around the hoop, chalked up victories in their first and last outings.

INTER-ROOM HOCKEY

Although they weren't exactly "pro" material, the rooms that competed in the inter-room puck classic provided many an exciting moment for the puck fans that turned out at the Exhibition rink. When the final whistle was blown, the upraised and waving sticks of the Room 5 sextet signified that they were the '49 champs! In the sudden-death playoff game, the pucksters from Room 5 were able to dent the Room 20 twine on seven occasions, while Mr. Babb's puckchasers were only capable of blinking the red light six times.

The championship squad was comprised of the following: Sawka, Chornous, Kalinowski, Stefanik, Borowski, Martin, Skurzanski, Mullan and Cielen.

INTER-HIGH TEN PIN BOWLING

The three teams that represented Newton in the Inter-High ten pin bowling meet staged at the Bowl-Arena didn't quite consist of any Andy Varipapas or Ned Days, but they enjoyed a very successful tournament with one aggregation able to win their shift. The winning quartet consisted of Ron White, Bob Daski, Reg Chopp and Don Kapeluch, the latter bowling an excellent three-game total of 515.

SENIOR INTER-HIGH VOLLEYBALL LOOP

This year again Newton carried off top honors in both the Inter-High Senior Volleyball and Basketball contests. The team, as a whole, gave a fine display of co-operation and, due to their determined efforts, came through at the end of the schedule with 5 wins and 1 tie. Excellent ball-handling was witnessed at most of these games and all the girls deserve much credit as they played fine ball

all through the season. Lesia Dowhanyk, captain of the team, led the girls all the way and showed her volleyball ability on the floor by her continual spiking and setting up plays. Other members who showed up well were the Eichhorn sisters, Thelma Dumka, Valerie Bodnarchuk and Hilda Peiluck.

Many thanks go to Miss Griffiths who, under her capable coaching, helped the girls to bring home the Volleyball Championship title.

SENIOR INTER-HIGH BASKETBALL LOOP

Another victory for the school was the girl cagers' winning of the Basketball Championship for the third consecutive year. The team showed true sportsmanship and deserves a lot of credit for this. Led again by their captain, Lesia Dowhanyk, who was tops in the scoring honors, the girls proved their basketball ability on the floor by lovely set-up plays and fine teamwork. "The strong five" was made up of Lesia Dowhanyk, centre; Valerie Bodnarchuk and June Eichhorn, guards; Viola Eichhorn and Hilda Peiluck, forwards. Much of this credit is due to our capable coaches Mitchell Baryluk and Allan Steinhauer, who gave the team strong support all through the season.

In closing we would like to say that Newton is proud of the Senior Girls and of the honors that they have brought to the school this year.

Members of the team were: Lesia Dowhanyk (captain), Marion Phillips, Elsie Majeski, Emily Mudlo, Joyce Macush, Yvonne Oshanek, Valerie Bodnarchuk, Betty Forbes, June Eichhorn, Olive Kablak, Viola Eichhorn, Irene Boychuk and Hilda Peiluck.

The girls would like to thank Miss McBeth for all the energy food that she provided them with through the basketball and volleyball season. Thanks a lot, Miss McBeth, the girls sure did appreciate it.

JUNIOR GIRLS' VOLLEYBALL TEAM, 1948-49

BACK ROW, left to

right— Pauline Zajankowski, Virginia Squirk, Miss Griffiths, Evelyn Rosnyk, Shirley Holk.

CENTRE ROW— Irene Shawl, Sylvia Stark, Helen Grabowski, Stanis Holloway, Jennie Oleski.

FRONT ROW— Lil Starin, Janet Kansky, Laura Artes, Grace Bohonos, Joyce Bruhart.

JUNIOR GIRLS' BASKETBALL

Len Gzebb and Mike Skwark's "proteges" didn't quite fulfill their coaches' expectations of a championship team. The team as a whole caught on to the rudiments of basketball very quickly. With few exceptions, they hadn't had any previous experience. Another drawback was the lack of height in the players.

Notwithstanding, they played a good brand of ball and we hope that next year their hope of a championship team will be realized.

Thanks again to Len and Mike for their capable coaching and to Miss Griffiths for her supervision. The results of the games are as follows:

Newton 8 vs. St. Johns 21.

Newton 30 vs. General Wolfe 14.

Newton 16 vs. Kelvin 27.

Newton 17 vs. Gordon Bell 17. Newton 17 vs. Daniel Mac 23.

INTER-SCHOOL VOLLEYBALL

The junior girls concluded a notvery-impressive but thoroughly enjoyable season of volleyball, chalking up 2 wins against 3 losses. They displayed some fine volleyball with excellent spiking by Evelyn Rosnyk and Polly Zajankowski. Miss Griffiths, who has produced many championship teams, acted as coach and manager, doing a very efficient job.

CENTRE ROW-

Len Gzebb (coach), Grace Bohonos (ass't captain), Irene Shawl, Sylvia Green, Mildred Johnson, Pauline Zajankowski. FRONT ROW—

Gerry Schettler, Vera Kammerlock, Ruth Jasper, Laura Artes, Janet Kansky.

INTER-ROOM VOLLEYBALL

Room 11 brought home the bacon in the Grade 10 inter-room volleyball schedule. Eight of the girls on the inter-room team were also on the school select. They remained undefeated until they met Room 16 for the school championship. All in all the games turned out exceedingly well in spite of the fact that some of the teams failed to report for their games.

INTER-ROOM BASKETBALL

Room 2 came through to capture the Grade 10 inter-room basketball championship. They played good games with Pauline Zajankowski sparking them on, but were vanquished as good fightters when they lost to Room 19 for the school championship. We give our thanks to Miss Griffiths for arranging these games and providing some noonhour activity.

Awards

Governor General's Medal

This year's award winner, Albert Schachter, is well-known to most students as the editor of our school paper "The Nor'Wester." Albert, besides being literarily inclined, managed to obtain a 90.5 average in the year's work. Some of his other activities include the role of villain in the dramatic club's melodramatic production of "Curse You, Jack Dalton," and a position on the Year Book Staff.

The Alumni Scholarship

The recipient of the Alumni Scholarship is a very modest Grade XII student. Edward Martin has for three years maintained a high average besides acting as class officer and helping out in everything he could. During his whole stay at Newton this quiet, likeable student has put his all into all class ventures. He has been the man behind the scenes in many activities—always doing things quietly and efficiently.

Isaac Newton Scholarships

Matriculation — Nestor Hryciuk, a very reticent Grade XI student, was awarded this scholarship. He obtained an average of 88.3% for the year's work. Nestor is a very fine boy, who cooperates in all class ventures. Teachers find it a pleasure to mark his examination papers—particularly in Algebra, where his average is 99.

Commercial—Mary Kupecki, the winner of this scholarship, is a quiet, pretty girl. She has a record to be proud of and has made one of the top Commercial averages this year. A diligent worker whose friendly personality has won her many friends.

The Isaac Newton Memorial Trophy

The winner of this trophy for '49 is a girl well known in the community for her athletic achievements. Lesia Dowhanyk captained both the Inter-High Volleyball and Basketball champs as well as her room teams. Lesia also entered the ball-throw at Field Day, placing 2nd in the "D" class.

Not content with taking an active part in all teams, she represented her rooms on the Athletic Committee where she also held a co-chairmanship. Lesia, the winner of this trophy, was:

—The spirit and inspiration of every

team on which she played.

—Set up the plays during games.

—Maintained a high standard of skill that was an example to other aspiring athletes.

—Won the respect and confidence of her team-mates because of her ability to speak with authority and good judgment.

—Sportsmanship, drive (the will to win) and co-ordination (inate ability).

The Peter Kalyta Memorial Trophy

Ed Solarz, winner in the Boys' Athletic Division, has done a great deal in the field of athletics right from his early days at Newton. A member of the Junior Basketball team for two years, and sparkplug of our Champion Soccer Team of '49, Ed also stars in track. Lean and lanky Solarz garnered 15 points at our own Field Day. His good sportsmanship, coupled with the above-mentioned achievements, show that he well deserved this award.

Andy Babynchuk wins Royal Academy Award. This Grade XII matriculation student of Isaac Newton High School has won the 1949 Royal Academy of Music scholarship and also the \$150 Winnipeg Women's Musical scholarship.

There were only two Royal Academy of Music scholarships awarded to Canadians this year. The scholarship entitles the holder to three years' tuition at the Academy in London plus expenses. All Isaac Newton wishes you continued success, Andy.

ROOM 1

(Continued from page 30)

Ross Barr—The comical chap laughs at the slightest thing.

Edwin "Constable" Bauer—Has great ability. Ambition: sausage maker.

John "Bo" Bohonos—Room social rep. Colorful chap to have around.

Ray "Bozo" Brodwich—The girls' first choice. Ambition: bachelor.

Mike "Muscles" Chabon—Room president and bouncer.

Tom Chapryk—Ambition: mouse exterminator. Ultimate fate: husband.

Eddie (Disc Jockey) Chucko—Likes a lot of jazz.

Ernie Defort—A musician, spends a lot of time on a violin.

Edward Drall—Pin boy. Ambition: to own a bowling alley.

Stan Duke—Spends most of his time at Exhibition playing hockey.

ROOM 2

(Continued from page 31)

Ian Richardson — Is our class sports gossip.

Helen Richinsky — Insists algebra is easy when you know how.

Joe Sarahan — Always looks at the teacher, but never listens.

Bohdan Semchuk—Did his homework so he could practice juggling.

Marjorie Shinnimin — A newcomer to our city but brainy nevertheless.

Joe Shurgot—An idealist, who believes in no homework.

Michael Simmons—Enjoys wasting time wandering in the halls.

Orest Slobodian's voice takes him places
—out of the room.

Lillian Smith—Does her German faithfully. (Oh yea?)

Virginia Squirk—Can't understand why "talking" is right and "talkin'" isn't.

Gerald Stanick — Thinks holidays are best part of school life.

Jeanne Steciuk—"Beginning to see the light." (Algebra.)

Sylvia Stein—Cute and small, with a smile for all.

Rosalie Tkachyk—Petite 'n' sweet, she's seldom heard—often seen.

Ray Yauk—All-star goalie, his interests lie in sports.

Jean Zajac—Though she says little, she thinks much.

Pauline Zajankowski—Gets a headache spelling her own name.

Ted Zapp — Handsome, curly-haired man about town. Genk.

Allan Zelmer — Claims that teachers pick on him.

And last, but not least, Mrs. McKay, who helped us over "first year jitters" and started us on the road to success. For helping us learn—accept our thanks.

ROOM 3

(Continued from page 32)

Norma Pearson—Year Book rep. Has a pleasing personality .

Nick Pidmurny—Mrs. Blount's favorite narrator.

Tony Prociuk—Target for all the missiles in the room.

Stella Romanov — A cheerful person who is always laughing.

Jeanette Ryback — A petite brunette with light brown eyes.

Loreen Smith—Dark haired, dark eyed, a blushing lass.

Helen Staskiewicz — Manages to keep ahead of her brother in studies.

Walt Staskiewicz — The three-in-one boy: handsome, muscular and athletic.

Jack Steple—Small, quiet, crew-cut lad. Carl Taylor—Our vice-president, quiet, well-mannered, studious.

Lily Tepper—Mama's girl, greatly liked by all the teachers.

Ron White — Six-foot, three-inch class president. All the teachers look up to him.

Mr. Lind—The last is best and so is ,Mr. Lind.

ROOM 8

(Continued from page 33)

Florence Tokar—Always smiling as she passes out the ink.

Eleanore Penzinol—So quiet we hardly know she's here.

Frances Muska—Only heard when a joke is cracked.

Antonia Deda—Always ready to give a helping hand.

Anne Sech—Innocent flower, at certain times.

Vera Serafin—Always hunting for a new man.

new man. Olga Soltyki—(Saga). Thinks a certain

Klassen man is terrific.

Jean Strogas—Has terrific curves . . . in bowling that is.

Eleanor Wachtler—Quiet in school, but outside, boy, oh, boy!

Olive Wanscaz—A little jiving bumble bee!

Anne Zacharkiw—The girl who's always looking into the mirror.

Evelyn Rosnyk—Her own main interest is basketball, or is it the coach?

Mary Prytula — Our tall and terrific speed typist.

Janet Carter—(Jan), a dark lass who's always talking or dancing.

ROOM 11

(Continued from page 35)

Adolph Kukulowicz — Lone hockey player of our class (our icy hope).

Elsie Lotocki — Believes "the dimmer the porch-light, the greater the scandal power."

Alf Leonard — Tall, blonde, cute and athletic. (Don't rush, girls).

Olga Leitch — Thinks she knows her "props." (She can dream can't she?)

Jenny Olesky—A brunette who desires to become a "lap-lander."

Ona Olynyk—Crazy over algebra (and we do mean crazy).

Teddy Petrie — Talks and gets a lot done.

Vicky Plawiak — Resembles cake — sweet as icing—full of nuts.

Paul Rapinchuk—Secretary—but still a hopeless case.

John Sharby — A sparkling-eyed boy who listens attentively to nothing.

Elsie Samila—Sings "I'm looking over a he-man's shoulder."

Agnes Skibinski — The girl who's in everything (we do mean everything).

Phyllis Slobodian—Can she dance! Oh, is that what she's doing?

Carol Sokoloski—Forms a click with a few other clucks.

Jeanette Sovinski—Indeed a jewel — (not shortening).

Sylvia Stark—Interest focussed on the opposite sex instead of algebra.

Lillian Starin—"They always talk who never think."

Ron Woloski—Knows all about magnetism—attracts girls.

Jenny Wilk—Comes to school early to get the mirror first.

He held her close as the music drifted into a dreamy waltz.

Allan S.: "Doesn't this dance just make you long for another?"

Kris. M.: "Yes, but he couldn't come tonight."

Humar

It was Saturday morning, Mr. Gresham had overslept and woke up with a start to the clanking of cans down the street. He remembered that the garbage had not been put out, and raced down to the front door, struggling into a robe with his hair ruffled and looking rather sleepy-eyed.

"Hey, there," he called. "Am I too late for the garbage?"

"No," shouted Dick H., the collector, "jump right in."

It is rumored that Mr. Robson once said at 9.05 as Ken B. appeared: "Late again!" To which Ken remarked: "Are you, sir? So am I."

Risking the perils of death, Gabbro had rescued the fair maiden (Vi) and now he was holding her in his arms.

"Listen, big boy," she said. "You're not holding me for ransom are you?"

"Not me!" replied Gabbro. "Let Ransom get his own women."

Al H.'s father: "And there, my son, you have the story of your dad in the great World War II."

Al H.: "Yes, daddy, but why did they need all those other soldiers?"

There is usually only one reason why a man buys, but with a woman it may be any one of eight:

- 1. Because her husband says she can't have it.
 - 2. It will make her look thin.
 - 3. It came from Paris.
 - 4. Her neighbors can't afford it.
 - 5. Nobody else has one.
 - 6. Everyone else has one.
 - 7. It's different.
 - 8. Because.

Bill Senyk's voice from rear of taxi: "I say, driver, what's the idea of stopping?"

Driver: "I thought I heard someone tell me to."

From rear: "Drive on, she wasn't talking to you."

Her lips quivered as they approached mine. My whole frame shook as I looked into her blue eyes. Her body trembled as our lips met and I could feel my chest heaving, my chin vibrating and my body shuddering as I held her to me.

Moral: Never kiss your girl in a second-hand car with the motor running.

Don't marry a girl because she looks sensible, because a sensible girl has more sense than to look sensible.

"Pawson," said Aunt Caroline, ferociously, "I'd like to crown dat low down husben o' mine."

"Why, Caroline? What's he done?"
"Done?" Why he's done gone an' lef

de chickenhouse open and all de chickens has escaped."

"O, well, that's nothing. Chickens, you know, come home to roost."

"Come home?" groaned Aunt Caroline. "Come home? Pawson, dem chickens'll go home!"

Mike S.: "I wonder if I could make you melt in my arms."

Eleanor H.: "No, I'm not that soft and you're not that hot."

Some people must think the Sunday church service is like a convention: Many families just send one delegate.

A proud father of triplets phoned a friend to report the good news.

The friend didn't quite hear and asked, "Will you repeat that?"

"Not if I can help it," replied the dad.

A gentle Quaker, hearing a strange noise in his house one night, got up and discovered a burglar busy at work.

He went to get his gun, and then came back and stood quietly in the doorway.

"Friend," he said, "I would do thee no harm for the world, but thee standest where I am about to shoot."

later. Falhering of exams wer know axams start still weeks from hunday, charant thought ih! He had a bouch of test in October which Ithink I did very good at, but the durly so-soo didn't give us report earls. Darn it. He didn't have a Freshie dance at S. C. 1. School in the stuhe, they we the rule of the sticks. It did have that magazine party, though no & owers that not of made up for things. Iwas manting to come ant for a week-end at your connenience saw we have hird more and mon suras to be managing. But I think, I better wait till after somo. I hate to barton you who your mother int fuling well. There me sometime, for con get me behuren 4:30 and 6:00 PM. on weekdays, not Sat. bud not on holidays, I'm tried 593, 161 67 Robert e Put me still going strong. I'm beginning to believe that those two will end up getting married. I don't think I swant to go ant with him, even of they did break up. I like hem as a good frend but that's all.

Him and Out men and was couple of weeks ago. They took 6d. I city. Rob. & Put mere supposed to come last Sur. put they didn't show up, The warm't sure arryway. But this last sunday they promised for sure. He were supposed to go henting. Anyway Ed. had a load of straw on the truck and he board have had to ward it if he was to go is with the truck, They aren't show up. Ed. whorded thattuck bay but you should have heard what he said about Clabert. I asked Jut on mon- what pappened! The said that she can broke and the garage wasnitapered until evening. She was supposed to work is the evening. I never asked Rad what happened yet. Iwas going to today. I already had my mouth upon t talk but didn't gute who Ivalized Out was setting there. It might be a good thing for me if I wake up onen a while. You can type pretting good. I want find one mistake. Only next time use whant three ~ four shut, if the company which you work for can affect it out I don't mean use pegged type. Did u Dow Reichert go to Isaac pentan

anytime who you were going? I'm almost not junto) positive he has at I I. N. H. S. ring. I/Suchen per him again, Itry to remember to ork him when he went to high school. I know him and nothering else, understand, Nort mention his name is your next letter, take some nichnamon wonthing because Bushy so we both know that those wigard bruthers of mine manage t read every letter Eigardless of where I hide at. P.S ofhut They like inventing things that went two. If you pind of sorbad lort mind flant say anything to anyone, encluding are du Ulga. Stores usually get tuisted around. puto in to my class teacher, sate is the word place. city wear supposed t I'm nut referring to anything which I hampreviously get one onl Idon't know write. It suddly come to my mind, that out what head Thope your mather is feeling better. mon 6 get . 9, m seems to be getting danny furth newly. The was a not from about the the haspital in July or dugiet.
